

SAFARI
BELTING SYSTEMS

Warranty

Warranty

Safari Belting Systems, Inc. warrants products of its own manufacture for a period of one year from date of shipment to the extent that Safari Belting Systems will repair or replace any products of faulty material or defective workmanship proven under normal use or service. The improper application, use or selection, of cleaning, sanitizing and/or other chemical cleaning agents that result in belt damage or premature belt lifetime are expressly excluded from any warranty coverage. No other warranty is expressed or implied unless otherwise set forth in writing and approved by a representative duly authorized to extend such approval by Safari Belting Systems.

Caution

Safari Belting Systems does not warrant that the design and/or operational function of any machine that incorporates and/or intends to incorporate Safari Belting Systems products, conform to any local, state and/or federal regulations and standards relating to public safety, worker safety, safety guards, sanitation safety, fire safety, or any other safety regulations.

ALL PURCHASERS AND USERS SHOULD CONSULT THEIR APPROPRIATE LOCAL, STATE AND FEDERAL SAFETY REGULATIONS AND STANDARDS.

Notice

Safari Belting Systems is specifically not responsible for property damage and/or personal injury, direct or indirect for damages and/or failures caused by improper machine design, application, installation, operation, abuse and/or misuse of its products.

Warning

Safari Belting products are made of plastic and can burn. If exposed to an open flame or to temperatures above specifications, these products may decompose and emit toxic fumes. Do not expose Safari Belting Systems conveyor belting to extreme temperatures or open flame.

Maintenance

Prior to installing, aligning, cleaning, lubricating or performing maintenance on any conveyor belt, sprocket or system, consult the federal, state and local regulations in your area regarding the control of hazardous/stored energy.
